1. About NovaTech

NovaTech Corporation is a B2B SaaS company headquartered in San Francisco, California. Founded in 2014, NovaTech builds cloud-native data analytics and AI-automation platforms that help enterprise customers streamline operations, reduce costs, and make faster decisions. Our flagship product, NovaTech Insight, serves over 400 enterprise clients across North America, Europe, and Asia-Pacific.

As of January 2025, NovaTech employs 1,142 people across six offices worldwide and generated \$214.7 M in annual recurring revenue in FY 2024. The company is privately held, backed by Sequoia Capital and General Atlantic.

Mission

Empower every enterprise to act on its data in real time.

Core Values

- Customer Obsession - we succeed when our customers succeed.
- Move Fast, Stay Trustworthy - speed and reliability are not in conflict.
- One NovaTech - we win as a team across functions, time zones, and backgrounds.
- Own It - take accountability, follow through, and learn from every outcome.
