

NovaTech Solutions - Employee Policy Handbook

Version 3.1 | Effective January 1, 2026 | HR Department

1. Code of Conduct

All NovaTech employees are expected to act with integrity, respect, and professionalism in every interaction, whether with colleagues, clients, or partners.

Discrimination, harassment, or bullying of any kind is strictly prohibited and will result in immediate disciplinary action, up to and including termination.

Employees must avoid conflicts of interest and disclose any personal relationships that may influence business decisions to their direct manager and the HR department.

Confidential company information must never be shared outside the organisation without prior written authorisation from the Legal department.

2. Working Hours and Attendance

Standard working hours at NovaTech are Monday to Friday, 09:00 to 18:00, with a one-hour unpaid lunch break. Flexible arrangements may be agreed upon with your manager.

Remote work is permitted up to three days per week, subject to team requirements and manager approval. Employees must remain reachable during core hours (10:00 to 16:00).

Absences must be reported to your manager and logged in the HR system before 09:30 on the day of absence. Unexplained absences of more than two consecutive days may trigger a formal review.

Annual leave entitlement is 25 days per calendar year, increasing to 28 days after five years of service. Leave requests must be submitted at least two weeks in advance.

3. IT and Data Security

All company devices must be encrypted and protected with a strong password. Employees must lock their screens when leaving their workstation.

Use of personal cloud storage (e.g. Dropbox, Google Drive) for company data is prohibited. All documents must be stored in the approved NovaTech SharePoint environment.

Employees must complete the mandatory cybersecurity awareness training within 30 days of joining and annually thereafter.

Any suspected data breach or security incident must be reported to the IT Security team within one hour of discovery via the dedicated incident hotline.

4. Expenses and Reimbursement

Business expenses must be pre-approved by your manager for amounts exceeding 100 EUR. Receipts are mandatory for all claims and must be submitted within 30 days of the expense.

Travel bookings must be made through the NovaTech approved travel portal. Economy class is standard for flights under six hours; business class requires VP-level approval.

Meals during business travel are reimbursed up to 60 EUR per day. Client entertainment exceeding 200 EUR per person requires written approval from the Finance department.

Expense reports are processed monthly. Approved claims are reimbursed in the next available payroll run.

5. Health, Safety and Wellbeing

NovaTech is committed to providing a safe and healthy working environment in compliance with all applicable regulations.

Employees are encouraged to make use of the Employee Assistance Programme (EAP), which provides free confidential counselling and wellbeing support.

Ergonomic assessments are available upon request through the Facilities team. Sit-stand desks and additional peripherals can be requested for both office and home setups.

Any workplace accident or near-miss must be reported to HR and the Health and Safety Officer within 24 hours using the online incident report form.

6. Disciplinary and Grievance Procedures

NovaTech follows a three-stage disciplinary process: verbal warning, written warning, and final written warning before termination, except in cases of gross misconduct.

Employees who wish to raise a grievance should first attempt to resolve the matter informally with their manager. If unresolved, a formal grievance can be submitted to HR in writing.

All disciplinary and grievance proceedings are conducted confidentially. Both parties have the right to be accompanied by a colleague or trade union representative.

Appeals against disciplinary decisions must be submitted in writing within five working days of receiving the outcome letter.
